

Town of Bluffton

Beaufort County, SC

STREET & ADDRESS ATLAS

The GIS Office of the IT Division for the Town is pleased to announce the sale of “THE TOWN OF BLUFFTON STREET AND ADDRESS ATLAS”. This comprehensive atlas depicts the graphic location of many features within the Town and the immediate surrounding area. It encompasses 155 pages printed on 11x17 heavy weight paper and is bound with a 1” spiral binding.

Each individual map is printed at a 1”=400’ scale.

Each map page has a complete graphic legend.

Each map page has a location map which shows the Atlas grid setup with page numbers.

Features shown in this Atlas consist of all street centerlines (including street class and pavement type), **E911** address points (with address number), water, marsh, wetlands, schools, government buildings, parks (future and existing), boat landings, fire stations, fire hydrants, jurisdiction lines and parcel lines. The Atlas also includes an up-to-date street name index which incorporates street jurisdiction, map page number (for easy map location), street area or subdivision and street ownership.

The Atlas’s will sell for \$100 (cash or check only) and a periodical update of pages will be available for a minimal fee, approximately every 6 months or sooner if deemed necessary.

Please come to Town Hall to purchase your Atlas.
